

The Everyday HSA

An innovative Health Spending Account (HSA) card that provides members with immediate access to their HSA funds eliminating out-of-pocket expenses. Members can access their balance and transaction history anytime, anywhere in real-time.

Allowing employers to:

- Control benefit costs
- Pay-per-employee use
- Reduce pre-funding requirements

The Everyday HSA drives retention and satisfaction while benefiting both employees and employers alike.

“A traditional health spending account is a great perk for employees, but ignores the average employee’s inability to use the benefits.”

– BARRET REYKDAL, CHAIRMAN
